The HANDLE® Institute International, LLC, presents:

Get a HANDLE On Neurodevelopmental Differences

Co-sponsored by Horizons Developmental Remediation Center

A 12-hour course that will forever change your strategies in dealing with learning & behavioral challenges!

Saturday, May 17 and Sunday, May 18, 2008

9:00 am to 4:30 pm

Horizons Developmental Remediation Center

3120 68th St. SE
Caledonia, MI 49316

Instructors: Kim Lauger with Sindy Wilkinson

**HANDLE is an effective non-drug treatment alternative
for people of all ages, and for a wide range of issues, including:**

- sensory integration dysfunctions
- autism and autism spectrum disorders
- trouble with motor skills & coordination
- and much more....
- conduct disorders
- acquired brain injury
- dyslexia
- reading & writing difficulties
- tics and Tourette's Syndrome
- general learning disabilities

"The HANDLE treatment approach has changed how I both evaluate and provide treatment to all the individuals and families that I see. HANDLE provides a method to address the underlying issues of the diverse pediatric population that I work with. It combines many different frames of reference into one easy to implement approach that my families have found easy to perform in their homes. HANDLE makes difficult and perplexing problems easier to understand while providing effective holistic methods of treatment. It makes you see people's actions in a truly new way." J.H., OTR/L

★ **Advance registration required! Group & single discounts on or before April 25th** ★
