

March 13, 2008 Autism Workshop Opportunities for Professionals

Presented By: Horizons Developmental Remediation Center

Supporting Social Communication Development in Students with Autism: A Workshop for Speech Pathologists and School Social Workers

Dates: March 13, 2008

Time: 9:00 AM – 4:00 PM (lunch break from 12-1)

This workshop will explore communication and social development and appropriate remediation strategies for individuals with autism. Speech and Language Pathologists and School Social Workers will develop an understanding of the core deficits of autism and how they relate to the communication deficits exhibited by children on the spectrum. Participants will explore unique approaches to treating these communication deficits in individual, small group, and classroom settings. Strategies that promote the development of active thinking and participation in students will be emphasized. This workshop is appropriate for speech/language pathologists and school social workers with no experience with autism as well as those with extensive experience.

Important Details:

- ❖ All workshops will be held at our facility unless we contact you to indicate otherwise. Our facility is located at 3120 – 68th Street SE, Caledonia, MI 49316. Please call or email if you need directions.
- ❖ To register you may call, fax, or mail in your registration form. If it is after the deadline date please call to make sure there is still room available at the workshop you are interested in attending.
- ❖ Please call Betsy at (616) 698-0306 with questions about these workshops or to find out about hosting a workshop at your location.
